A very pleasant birthday party was given at the residence of Capt. Wm. Starr, at 1705 Duane street on Thursday night. The party was in honor of H. Duncan, father of J. H. Duncan, on the occasion of his 87th birthday. The evening was pleasantly spent in singing, card playing, instrumental music, etc., after the enjoyment of an excellent supper. Mr. Duncan was born in England, January 16, 1821, and came to this country in 1831 arriving in Oregon in 1872. He is hale and hearty at the present time and looks good for several more birthdays. Several pretty presents were made to the happy recipient and all joined in wishing that they may enjoy his centennial.

#### Pleased With This Locality—

Mr. W. H. Wilder of Trinidad, Colo., is now a guest of the Chamber of Commerce, having come here for the purpose of making investments, provided, of course, he is suited with conditions as he finds them. Mr. Wilder registered at the Parker House, but will make his headquarters at the offices of the Chamber and it is desired on the part of the management of the Chamber that the citizens make Mr. Wilder's acquaintance and show him every courtesy. It is likely that he will make his home here sometime before investing to make certain that he is pleased with this locality. He has had a great deal of experience in the lumber business and not many years ago, he was one of the largest cattle raisers in Colorado and the west. He is pleased with this climate, not liking the dry climate of Colorado.

#### GONE TO CALIFORNIA.

Manager Whyte of the Chamber of Commerce, will go with the Pacific Coast Admen's Association from Portland today to attend the convention of that organization to be held in Oakland. Mr. Whyte will make a pictorial exhibit while at the convention as he has a large album of Astoria and Clatsop especially made for him by A. E. Coe. It is presumed that Mr. Whyte will come home loaded to the guards with new advertising ideas and put some of them into practice. Mrs. Whyte is accompanying him.

#### SUDDEN DEATH.

Henry Brook, of Spokane, Wash., Dies Suddenly on the Roanoke.

Henry Brook, a prominent brick manufacturer of Spokane, died suddenly on the steamer Roanoke while on her trip down the river. Mr. Brook was accompanied by his wife and son-in-law, J. M. Moore, and was on his way to California for his health. He had recently suffered from a paralytic stroke, and during Thursday night he was taken suddenly ill, and died of heart failure. When the vessel docked the body was taken ashore, and those who witnessed the debarkation of the sad cortege, had many words of praise for the officers of the steamer for the respect shown the corpse. The officers ranged themselves on either side of the gang plank as the body, wrapped in the American flag, was carried ashore, the ship's bell tolled, and the officers stood with uncovered heads. Captain Dunham and his officers performed an act of humanity that deserves commendation. Coroner Pohl took charge of the remains, and prepared the body for shipment to Spokane and it was sent on the morning train, accompanied by the stricken wife and son-in-law. No inquest was considered necessary.

## Brown's Clean-up Shoe Sale

### A Pronounced Success

Brown's great clean-up sale, which has been the means of distributing thousands of dollars worth of shoes at ridiculously low prices is drawing to a close. The public evidently appreciate our values, for the store has been crowded to its fullest capacity.

### A Card of Thanks

You have been very kind to us with your patronage. Our sales have climbed to a figure never before reached. Pardon any little failings or delays that might have inconvenienced you. We are all the time trying to better this store's service and with a little patience on your part we can accomplish wonders.

## Another Big Cut in Prices

As our stock has been greatly reduced and we haven't the large variety that we did at the beginning of the sale and the run of sizes are not so good, we have decided to make a still bigger reduction so as to clear out every pair and make room for our spring goods that are due to arrive.

Our regular \$3.50 and \$4.00 ladies' fine turns, narrow widths, that were cut to sell at \$2.00, are now 95c.

Our regular \$1.75 and \$1.50 ladies' house slippers that were cut to \$1.00 now 75c.

Our regular \$3.50, \$4.00 and \$5.00 ladies' Oxfords, all go in this sale at \$1.95. These are only a few of the many bargains that you have to choose from.

### Limitations of This Sale

For the balance of our stock that is in the store and not included in this clean-up sale will be sold in accordance with the scheduled prices. In other words, a shoe bought to sell at \$1.50 will be sold for \$1.50; if bought to sell at \$5.00, will be sold at \$5.00.

MY SHOES ARE NOT BOUGHT TO SELL AT BARGAINS.
